EFFECTIVE MAY 16, 2021 the Center for Disease Control and Prevention have announced that “*fully vaccinated individuals* can resume ALL pre-pandemic activities without the use of a facemask or social distancing protocols, *except where required by federal, state, local, tribal, or territorial laws, rules, and regulations, including local business and workplace guidance*”.

Please remain home and continue to abide by CDC recommendations if you are experiencing *any* symptoms of COVID-19, or other viruses or illnesses.

Riverworks will continue to follow all CDC, Local Municipality & NY State guidelines – although NOT mandatory for vaccinated guests, we highly recommend all indoor guests wear a mask prior to entering our facility. At this time it is not required to be vaccinated or show proof of a negative test to enter our facility for any event. (Unless it is mandated by a promoter or agency who has rented the entire facility for a PRIVATE EVENT).

Thank you!
